[MY SCHOOL UNIFORM ORDERING](#)

Our school clothing is from a local company at very competitive prices and we make no profit from selling uniform.

Clothing can be ordered directly from the company and delivered either to school or your home.

We do have a small number of pre-loved uniform items in school, so please ask if we can help!

Please put your child's name inside all items of clothing!

Jewellery in school

THINK SAFETY! – Children are not allowed to wear jewellery at school and parents are asked not to send children to school wearing jewellery. It is especially important on PE days. This is to prevent them injuring themselves or others and follows the national policy and good practice guidelines as provided by the Association for Physical Education (AfPE). This states that earrings MUST be removed and that taping over them is not permissible.

There is no chance of piercings healing over in the short time they are removed for PE lessons. The reasons that wearing earrings is prohibited is due to the risk of tearing the ear lobe and also the risk of the post of the earring impaling the neck where the brachial nerve runs directly to the brain. Long hair must be tied back and there may be an increased risk of entanglement if jewellery is worn by students in a sports setting. Jewellery including earrings can cause injury to the wearer and increase the risk of injury to other persons in a PE class. Our school has a duty of care to all children and therefore this rule must be observed. Thank you
